**LEGAL AID AND AWARENESS  
COMMITTEE (NLUJ)**

## ABOUT THE COMMITTEE

Since its inception, the LAAC has been discharging its role of imparting legal awareness and providing legal aid. Established as the Centre for Legal Aid and Social Services, it initially focused on prisons across Jodhpur in collaboration with CHRI Initiative for under-trial prisoners. Gradually, due to the increased understanding of the social conditions, the LAAC has taken initiatives and is now aimed to be a part of the continuous process of spreading legal awareness. The LAAC seeks to partake in activities that would help generate a respectful attitude amongst people toward fulfilling their legal obligations.

The LAAC imparts practical knowledge and information regarding the basic legal rights and remedies to the masses. The Committee also takes up research projects to evaluate the standard of legal awareness and implementation of welfare legislations. The LAAC has adopted a village, Surpura, and is extensively working towards developing the basic infrastructure and public facilities in the village. The main aims of the Committee are:

- To impart practical knowledge and create awareness regarding basic legal rights and remedies provided under various laws.
- To act as an intermediary between a layman and the opportunities of free legal aid services present across the country.
- To facilitate better implementation of legislations and governmental schemes.
- To analyse and report on socio-economic condition of various communities in the country.

## POLIO DRIVE

The Legal Aid and Awareness Committee was invited by Swathaya Samudayik Kendra of Surpura Village for the Pulse Polio Drive on 29th January 2017 to encourage the participation of villagers in the drive. Members of LAAC and Faculty of National Law University, Jodhpur participated in the event enthusiastically and encouraged the parents to bring their little children to the camp. Sushila Ji from Swathaya Samudayik Kendra and Baby Ji from Anganbadi appreciated the efforts put by the Committee to spread the awareness in the village. Subsequently, it was recorded that owing to these efforts of LAAC, participation in the drive had increased massively owing to the bond that has developed over the course of the year.

# GOVERNMENT SCHOOL REPAIR

The overall development of the Secondary Government School of Surpura is an important part of the 'Surpura: A Smart Village' project. The funds for the school repair were collected from the parents of the school children who also provided free labour for the same. Donations have also been made by philanthropic Jodhpur businessmen for the repair and construction work that started in February 2016. The same was completed by the end of March.

To ignite the young impressionable minds of Surpura Village, the Committee members have undertaken the task of painting the school with inspiring thoughts. On the school walls will be scripted the patriotic symbols, ideals and themes such as National Anthem, the touchstone of our Constitution - the Preamble, the liberties guaranteed in the form of Fundamental Rights and the Fundamental Duties imposed. The map of India will also be painted.
